“Sorry I missed you. I’ll call you back as soon as I can.”

“Hey mom, uh, it’s me. Um, they’re guessing she’s not going to make it through the night. But, um, I will try again later.”

“Oh I am so excited that you are home to stay! Oh and you’re brother’s coming home in a couple of days. Bringing Carrie with him. “

“Hey!”

“You wanna play?”

“Justin told me about Nicole. I’m so sorry.”

“She was a real good friend.”

“What’s going on?”

“Ft. Worth. I gotta go tonight.”

“When do you get back?”

“Two days.”

“Carrie?”

“Yeah?”

“Would you want to do something crazy with me right now?”

[Screams]

[Laughing]

“Hey, no!”

[Laughing]

“Thank you for coming.”

“You are so great!”

[Sirens]

“You hear them sirens?”

“Oh, bless her heart.”

[Laughing]

“Are you still scared?”

“Oh Lauren! What is wrong with you?”

“I am sorry your girlfriend’s dead. Doesn’t mean you get mine!”

“This is my home! You did this thing in my home?”

“I’m so sorry.”

“I’ve just been such a mess and I’m really glad that you were here.”

“Me, too.”
